

PayUmoney Zepo Documentation

Introduction

This guide will show you how to configure PayUmoney as your payment processor on Zepo for payments through Credit Card, Debit Card, Net banking and Saved Cards.

Prerequisites

To Integrate PayUmoney payment gateway, you must:

1. Have a merchant account with PayUmoney. If haven't already registered, please visit <https://www.payumoney.com/> and then register as a merchant.
2. Know your Salt & Key. These are available on the dashboard. If you already have a PayUmoney merchant account, please login at <https://www.payumoney.com/> and you will be able to retrieve your salt and key from the "Account details" tab.

Steps to Integrate

- 1) Login to your zepo account from www.zepo.in:
